QUALIFICATIONS

To perform this job successfully, an individual must be able to perform each essential duty satisfactorily. The requirements listed below are representative of the knowledge, skill, and/or ability required. Reasonable accommodations may be made to enable individuals with disabilities to perform the essential functions.

EDUCATION and/or EXPERIENCE

High school diploma or general education degree (GED); 12 months of experience in general laboring tasks or in related work; or, any equivalent combination of training and experience.

KNOWLEDGE AND SKILLS

Knowledge of basic maintenance and simple tool operation. Ability to operate heavy equipment such as trucks, trailers, and chainsaws, as well as hand tools, mowers, trimmers, shovels, rakes, and brooms. Skill in reading and understanding simple instruction and performing basic math tasks.

LANGUAGE SKILLS

Ability to read and interpret documents such as safety rules, operating and maintenance instructions, and procedure manuals. Ability to effectively present information in one-on-one and small group situations to customers, management and other employees of the District.

REASONING ABILITY

Ability to solve practical problems and deal with a variety of concrete variables in situations where only limited standardization exists. Ability to interpret a variety of instructions furnished in written, oral, diagram, or schedule form.

CERTIFICATES, LICENSES, REGISTRATIONS

- Valid Class D driver's license
- Individual must be insurable by District's insurance carrier
- Desired to be an Illinois Licensed-Certified Operator - Class C or higher
- Desired to have a CDL Class A license with a combination endorsement

PHYSICAL DEMANDS

While performing the duties of this job, the employee is required to stand; walk; sit; use hands to finger, handle, or feel; reach with hands and arms; climb or balance; stoop, kneel, crouch, or crawl and talk or hear. The employee must easily be able to lift and/or move 50 or more pounds. Specific vision abilities required by this job include close vision, distance vision, color vision, peripheral vision, depth perception, and ability to adjust focus.

WORK ENVIRONMENT

While performing the duties of this job, the employee is frequently required to work in and around outdoor excavation sites with uneven terrain and is exposed to outside weather conditions with possible extreme hot or cold. The employee will regularly be exposed to moving mechanical parts and construction equipment and will occasionally be working around toxic or caustic chemicals. The noise level in the work environment is usually low to moderate.

RESIDENCY REQUIREMENT

Candidate will periodically be required to cover after-hours emergency standby calls. A requirement of standby eligibility is a 30-minute response time to our main office at 1350 Turret Drive, Machesney Park, IL 61115.
